

Dear Fullerton Rotarian:

Jim Young was a great Rotarian locally and internationally as he now will attend the great heavenly Rotary Club in the sky. His common sense guidance and smiling face will be missed at our weekly lunches. Jim held every Rotary job locally and was our District Governor. He made international fame by his professional presentation of Paul Harris that was made to various Rotaries world-wide. Rotarians that personally knew Paul Harris felt that Jim exhibit Paul Harris manners better than Paul himself. Jim provided many of the funds obtained by his world-wide Paul Harris presentations to the Fullerton Rotary Founding Endowment Fund for its annual fall Endowment Fund Awards to fund unmet Fullerton Community Charitable needs.

His family has indicated that gifts to his memory could be made to Jim's many charities that included the Fullerton Rotary Foundation. The Foundation has recently created a Jim Young Memorial Fund to add any received memory gifts to his current Endowment Fund that will be used for our fall charitable Endowment Fund awards campaign. This fund has 501 (c) (3) statuses and is fully tax deductible.

Any Jim Young Memorial gift checks should be made to the Fullerton Rotary Foundation and in the lower left corner should add Jim Young Memorial Fund to insure that it will be included in his current Endowment Fund. Later a list of donors will be provided to the Young Family for their records.

This effort is a reward to the memory of a great Rotarian that "made a difference" in the world in many ways and who practiced the Rotary "four way test principles". Please consider this gift request in your annual charitable giving program. Thank you for your gift.

Sincerely,  
Vern Andrews, FRF President
